Caring for all...Growing with God

Dear Parents,

Consultation on a possible holiday club for pupils of our school

A number of parents have expressed an interest in a holiday club at school for our pupils during the summer and Easter holidays. This is not something that the school has the capacity to organise and run.

There is currently a holiday club in the school, for children of Glaxo employees, run by Tinies, a childcare provider with a good local reputation. I have approached them to see if they may be able to run a club for us. They may be able to do so, however there are minimum numbers etc. that they would need in order to make the club viable. It is for that reason that I am sending this consultation letter.

The Tinies club would offer care from 8:00am until 6:00pm during the school holidays on the school site. They would provide a range of activities and be open to pupils aged 4-12. A day at the club would cost £30. Bookings would be made with Tinies through their website.

If you would be interested in a holiday club, please complete and return the slip below by Friday 17th April.

Many Thanks,

John Wright
