

# St Paul's Friday Round Up

**Friday 19<sup>th</sup> January 2024**

*Welcome to our round up of news and information for the week.*

## **150<sup>th</sup> Celebrations – Victorian Week 29/01-02/02**

As part of the celebrations of the school's 150<sup>th</sup> year, we are planning a special curriculum for the week of 29<sup>th</sup> January, looking at life in Victorian Brentford. The school was opened in the late Victorian period, a time when Brentford was changing from a semi-rural town into the suburb of London it has become. During the afternoons in this week the children will be looking at Victorian art, buildings, technology, transport, maps and more. The classes will undertake fieldwork trips in local area, looking for evidence of Victorian Brentford.

To end the week, we shall have a Victorian dressing up day in school on Friday 2<sup>nd</sup> February. On that day, children should dress as closely as they can to a Victorian child. Children should wear their normal school shoes (as trainers had not been invented in Victorian times). Victorian children very often wore 'child' versions of adult clothes. Girls in dresses, blouses, shawls and bonnets; boys in plain coloured shirts, traditional trousers, perhaps a waistcoat and a cap. Victorian children often wore clothes that had been handed down or passed on from an older family member. We do not want parents to spend a fortune on a costume. If you don't have anything suitable at home, perhaps an older family member can lend something. Very often, charity shops have clothes that can be made up into a Victorian costume.

Please note that this is not a non-uniform day as such. Children should not come to school in football kits, modern party dresses, trainers etc, as these are not in keeping with the Victorian theme.

I am sure that we shall have a great week learning more about life in Victorian Brentford.

## **Internet Safety Day – Tuesday 6<sup>th</sup> February**

Tuesday 6<sup>th</sup> February is Internet Safety Day. On this day, we have a special focus on the safe use of internet enabled devices. Sadly we are seeing a rise in cyberbullying and the inappropriate/dangerous use of mobile phones and internet enabled devices in our own community.

We have a range of information and advice for parents on the '[safer use of technology](#)' page of our website.
