

St Paul's Friday Round Up

Friday 8th March 2024

Welcome to our round up of news and information for the week.

Karin Littlewood, Children's Author and Illustrator Visits

Today we were all very excited to meet the children's author and Illustrator Karin Littlewood. We started the day with a whole school assembly in which Karin told us about her writing and illustrating journey. There was time for many interesting questions too. Over the rest of the day, Karin worked with classes across the school. For more details and pictures of our Reading Week celebrations, why not visit the [news section](#) of our website.

Holiday Activity Fund – Easter Holiday Clubs

Families with children living in the borough who are aged between 5 and 16 years and entitled to benefit related free school meals, can attend the Holiday Activity and Food Programme (HAF) **activities for free**. When families are registered for benefits related free school meals, they will automatically receive their voucher/s to book (pictured).

Funded by Department for Education, HAF in Easter will be delivered by experienced providers with fun and enriching activities featuring sports and games, cooking, computing coding, music, arts and crafts, circus skills and so much more taking place across the borough.

Children can take part in some activities for the celebration of the Easter, Ramadan and Eid. Eligible children can attend four sessions from 2 to 12 April and enjoy a free, nutritious meal every day. Children who are fasting for Ramadan are encouraged to come along and each provision will be able to adapt to the child's needs.

All the HAF activities information for Easter and support for booking can be found on [Hounslow Family Service Directory HAF programme website](#).

Hounslow HAF can be contacted at HAF@hounslow.gov.uk

One of the HAF activity club (Infinity Fun) will be running its club at our school for part of the Easter Holidays. Please see the club details further down in this Friday Roundup.
