## *Reading for Pleasure!*

## **BUILD YOUR BOOK PASSPORT TO ENJOYABLE READING!**

At the top of this letter is a selection of Book Passport titles from all 6 year groups. Read them, enjoy them, and have them marked off at the back of your Reading Record. At the end of each year you will have experienced 9 of the best children's books ever written, some old, some new and all by great authors.

These books are recorded at the back of your Reading Record and are to be read as well as the regular books that your child takes home. They can read them to you, or you can read them together! Simply share the experience of great books, and remember, take your time, they can be kept for more than one week.

Please don't try and read the books in one go, take your time, and remember that some of the books may be a little hard so why not read them together? If your child likes the books then try another book by the same author. Above all read them for pleasure!
