

Sports Premium Allocation - Sport Premium funding for St Paul's CE

At St Paul's CE we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. We are committed to using this funding in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people to promote healthy active lifestyles

Our **Vision** is that ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Primary School's Sports Funding

Click [here](#) for the Department of Education link to the Primary School's Sports Funding page.

We have extended our relationship with Sport Impact www.sportimpact.co.uk, previously the Schools Sports Partnership for the local area, and have identified key areas through a self-review process to ensure we can meet the high expectations in PE and Sport for our children. This support addresses three key areas:

Physical Education (PE):	Raising standards for all our children in Physical Education
Competitive School Sport (CSS):	Increasing pupils' participation in extra- curricular sport
Healthy Active Lifestyles (HAL):	Ensuring all our children have access to regular exercise

Sport Impact also supports the School's self-review and planning process and assists in measuring the impact of the funding as well as providing quality assurance through its work with many schools within the local area. The School's action plan for PE and School Sport, which is a working document, is available on request from the School Office.

Details of provision for PE lessons, alongside details of the broader curriculum may be found on our school website. We also update the school website with match reports and photos from our various sports competitions and events.
