Here are the common exception words for Year 1. These are words that by the END of Year 1 children are expected to read accurately.

Start with maybe three or four and keep reading them. Repetition is the key.

Play games with the words, snap, pairs etc. Your child needs to read the word each time it is placed in front of them.

Once they are confident add in a couple more words, and repeat the process..

By learning a few words at a time your child will become more confident rather than trying to learn them all at once.
