

St Paul's Sporting Times

High excitement at the Year 5 Sports Competition at St Richards!

On Friday 16th May we went to St Richards in Hanworth for a multi sports event. The other schools that were there were Beavers, Blue School, St Richards and St Marys. Each school were split into 2 teams of 15 and we did lots of different sports including Table Tennis, Netball,

Benchball, Football and Tennis. I played St Richards at Netball and we won! Niko scored the winning goal. We then played Table Tennis which was really fun. The ball kept going out of play though. My favourite activity was Benchball where you had to get your whole team on one bench by catching the ball. I also liked football because we worked really well together.
